<p>2. Description of Initiative or Project <i>(please give a short but complete description, including the aim of the initiative or project):</i></p> <p>In framework of a federal youth information project organised jointly by the principal youth information organisations in Belgium (all 3 Communities), a census about youth information sources on Internet is being conducted. Each of the organisations involved assesses each web-site, giving it a score according to a set of quality criteria. The web-site is then included in a data-base, with its quality rating. So, when a youth information worker looks for the response to a young person’s question, s/he can find the best Internet site source for the answer. This method can also be applied to documentary sources.</p>
